Re: Request for Assignment Papers

I received a Utility Patent Application Transmittal in the mail and it requested assignment papers. I spoke with the people in the USPTO on 7/22/04 regarding this request. The application that I sent in was an initial application. There must have been a mix up with some other inventors forms and my own. I did not send any assignment papers, or return receipt postcard, because there were none to be sent. If anything else is needed please let me know, otherwise, I will consider that you received a complete application with all the appropriate forms, and am awaiting your correspondence confirming this.

Thank you
